

# VPSC Gifts, Benefits and Hospitality Declaration and Register 2017-2018

**Victorian  
Public Sector  
Commission**

## VPSC Gifts, Benefits and Hospitality Declaration 1 July 2017 to 30 June 2018

The way public officials respond to offers of gifts, benefits and hospitality is critical to maintaining the trust of those we serve. Officials need to act in a manner that allows the community, customers, Government, clients and business associates to feel confident that they perform public duties without favouritism or bias, or for personal gain.

To that end, and in line with the minimum accountabilities applying to all public sector organisations, I am publishing the Gifts, Benefits and Hospitality Register for the Victorian Public Sector Commission for the period 1 July 2017 to 30 June 2018.

### **Paul Grimes**

Commissioner

Victorian Public Sector Commission
